THANK YOU!

Dear Students and Families,

We're excited to welcome you to the Nuhop Outdoor Education program! Since 1974, Nuhop has been providing space for transformative learning experiences and outdoor adventures to people of all ages, and each season provides new challenges, new opportunities and new stories. In 2021, we purchased a new facility, and our program is growing at an exponential rate! We are so grateful for the opportunity to serve you this year, and we hope you will have a great experience!

This packet includes five forms that will need to be returned to your teachers when completed: the <u>student health form</u>, <u>medication form</u>, <u>challenge course waiver</u>, <u>transportation waiver</u>, and <u>covid-19 waiver</u>. All five of these forms are required for your child to attend the class trip to Nuhop. Also included are a packing list, special diet information and student medication instructions. Please refer to these guidelines as you prepare for camp. *Some schools may require additional forms so check with a teacher to be sure.*

Your teacher will let you know when the forms are due as well as provide you information regarding the cost to attend Nuhop, and arrival-day and departure-day logistics.

Warm Regards and we look forward to seeing you soon,

Sarah Kronz

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. Nuhop has put in place preventative measures to reduce the spread of COVID-19; however, Nuhop cannot guarantee that you will not become infected with COVID-19. Further, participation could increase your risk of contracting COVID-19.

READ CAREFULLY BEFORE SIGNING - INITIAL EACH PARAGRAPH

STUDENT INITIALS By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by participation; and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at Nuhop may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Nuhop's employees, volunteers, and program participants and their families.
STUDENT INITIALS I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my participation at Nuhop. On my behalf, I hereby release, covenant not to sue, discharge, and hold harmless Nuhop, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Nuhop, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation at Nuhop.
STUDENT INITIALS I represent that I have adequate insurance to cover any injury or illness I may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or illness myself. I further represent that I have no medical or physical condition which could interfere with my safety in this activity, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.
GUARDIAN INITIALS In the event that I file a lawsuit, I agree to do so in the state where Nuhop is located, and I further agree that the substantive law of that state shall apply. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.
STUDENT INITIALS By signing this document, I agree that if I am exposed or infected by COVID-19 during my participation in this activity, then I may be found by a court of law to have waived my right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.
GUARDIAN INITIALS I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if I were to choose not to sign this release, and agree that the opportunity to participate at the stated cost in return for the execution of this release is a reasonable bargain. I have read and understood this document and I agree to be bound by its terms.
STUDENT INITIALS If I have signed a separate general waiver of liability connected to my participation at Nuhop. I agree that the terms of that waiver are wholly incorporated into this document and that the terms of this document are incorporated into the separate general waiver.
STUDENT INITIALS I agree that I will practice safe social distancing and clean hygiene during my participation at Nuhop.

Packing Instructions & What to bring

Nuhop is bed bug free and we plan on keeping it that way. Bed bugs are a nuisance and we work very hard at providing the best programming and retreat facilities in the area. We do not want this to detract from your wonderful experience. From our discussions with entomologists, licensed professionals and various industry partners, we believe that **heat** is the best way to ensure bed bug prevention and elimination.

Upon arrival at camp, our guest's luggage is heated to temperatures lethal to bed bugs (above 120°F) before being taken to the sleeping quarters. NOTE: As of Spring 2022, the heater system is only in use at the Pine campus. Students at Hemlock Campus will not need to follow these protocols until the heater system is in effect at that property. If your student is staying at Pine (the original site), we ask that you do the following things to help in our effort:

Please allow your students to pack **no more than THREE bags** for camp (Two for bedding and clothing and one small bag for toiletries and personal items).

Belongings should be packed loosely into **soft-sided duffel bags or mesh/fabric laundry bags**.

<u>Do not pack in suitcases or trash bags</u>; they can be damaged in the heating process. (trash bags can be used as cover for the mesh bags, but they will be removed before heating).

Items that should not be heated, such as **medications**, **sunscreen**, **bugspray**, **shampoo**, **aerosols** and **other toiletries**, **should be packed separately** in ziplock bags, plastic shopping bags, a cinch bag, or small backpack. Students will not have access to their heated luggage until dinnertime on the first night, so anything they need to access needs to be kept separate

Everything should be labeled with the student's name on tape, ribbon or luggage tags.

Please ensure that no liquids/gels/aerosols are packed with sleeping gear or clothing.

Thank you so much for helping us in this endeavor.

Sleeping gear
Labeled
mesh or fabric bag

Clothes/shoes Labeled mesh or fabric bag

Toiletries
Labeled
1 Gallon ziplock

These things are necessary:

- Enough clean, comfortable, weather appropriate clothing for the entire length of your stay (warm and cold weather gear)
- Consider the weather when packing. A warm coat, gloves, and a hat may be needed while other times a pair of shorts are appropriate.
- Raincoat/poncho for rainy weather
- Comfortable, closed-toed shoes and a few extra pairs of socks. An extra pair of boots or shoes can be very helpful. Crocs do not count as closed-toed shoes. Avoid them.
- Clean clothes/pajamas to sleep in.
- Sleeping bag and pillow OR Blanket, twin sheets, and pillow.
- Towel, and toiletries: Soap, Shampoo, Toothbrush, Toothpaste, etc.
- Reusable Water bottle
- Two extra, clean garbage bags for dirty laundry and dirty shoes (Pre-labeled with student's name)
- Medications currently taken by your student. (See instructions on separate page) These items will be turned in at school before students arrive at camp

These things are optional:

- Chapstick
- Sunscreen and Bug Spray
- Flashlight
- Hiking boots
- Flip flops, slides, or crocs for showering and in-cabin use ONLY

DO NOT bring:

- Weapons (please leave your pocket/survival knives at home)
- Money (there's nothing here to spend it on)
- Anything that requires electricity or batteries
 (no phones, no curling irons, no microwaves)
 NOTE: Medical devices are an exception.
 Students who use a phone to monitor diabetes must bring their phone
- Candy, gum, soda, snacks for the cabin.
 Note: We are a nut-free facility. If a student needs to bring snacks for a medical purpose, please contact us for details about supplemental food protocol.
- Extra OTC medication (we have a stocked infirmary).
- Jewelry or other expensive or important items. (If you can't bear to lose it, break it or get it dirty, think twice before you bring it to camp. We will not be refunding lost items)

Instructions for Medications

If your child takes a daily or as needed medication, please organize the medication they will need as noted below and send that medication to camp with the child's teacher.

General medication times are 8:00am, 12:00pm, 5:30pm, and 9:00pm. If your child needs to take medication at a different time, just specify what time they need it, and we will make sure it gets to them on time.

- Please send only the amount required while the child will be at camp. Do not send extra.
- All medicines should be kept in the original, labeled container and all containers placed in a labeled ziplock bag.
- Make sure that the container label includes your child's name, the name of the medication, the dosage, and the time & date the medicine is to be administered.
- If the time is not specified on the bottle's label please write a note that specifies what time the medication should be given
- Emergency medications such as inhalers and epi-pens should be sent even if the child does not use them on a regular basis.
- Liquid medicines should be kept in their original bottle as well, and please send a measuring cup or spoon.
- All medications sent with campers need to be documented on student health form. (Name of med, time given, dosage given, number of pills sent)
- If we are unable to understand your instructions, or the meds that we receive do not match what is written on the forms, we will call you for clarification.

Special Diets

In order to safely and effectively serve our clients we are asking *parents who have*students with special dietary needs to please contact Nuhop at:

nuhopspecialdiets@gmail.com

Please contact Nuhop at this email address **AT LEAST 2 WEEKS BEFORE YOUR STUDENT'S TRIP** with this information:

- In the subject line of the email please write "Special Diet for" And include your student's name.
- Student's name and school they attend.
- Detailed information about their special diet
- For food allergies please indicate whether the allergy "ingestion" or "contact"
- Parent or Guardian's name, phone number and email address.

***Notice: Nuhop operates as a <u>nut-free facility</u>. If your student's allergy is related to peanuts or tree nuts, they will not encounter those ingredients in the dining hall. Please send epi-pens or any other allergy medications anyway, as there is a chance students could encounter nuts in the wild when playing in the woods.

If this information is not <u>received 2 WEEKS PRIOR TO THE STUDENT'S</u>

<u>TRIP</u> Nuhop may not be able to provide special food and parents/guardians will be required to send appropriate food.
