

June 1 (Friday) Professional Day/ Potential Calamity Makeup Day
 June 4-8 Potential Calamity Makeup Days
 This calendar aligns closely with the results of a survey sent to parents, students and staff.

In the event that the school district experiences additional calamity days during the year, makeup days must be added. If we know by the end of February that we will need to make up a day, the first one could occur on March 2nd. Additional days, if needed, will be added to the end of the school year, beginning on Friday, June 1st.

OTHER SPECIAL EVENTS, 2011-12

The dates for religious holidays are not part of the school calendar, but are significant to a number of students and families in our school district. Staff members are asked to take note of special dates and plan school events, tests, projects, after-school meetings, etc., around the dates whenever possible.
