

LEARN CODE & HAVE FUN!

MAY 3-4, 2019

# Join us for the Fuse Code Camp

Learn about code and technology from professionals at Fuse by Cardinal Health!

Friday, May 3: 5-7 pm

Saturday, May 4: 8 am - 5 pm

## FIND THE PERFECT PROJECT

We have coding projects for all skill and experience levels. During the Code Camp you'll work on actual coding projects and showcase them at the end.

## LEARN FROM PROFESSIONALS

Our coaches code for a living - and will work alongside you and a small group. Plus, learn more about current technology and innovation.

## CONTINUE LEARNING

Join the Fuse Code Camp social network to keep in touch with fellow campers, access other projects, communicate with coaches and attend future events.

## REGISTER TODAY!

Space is limited to be sure to reserve your spot at the Fuse Code Camp before they're gone.
