ANNUAL PUBLIC NOTICE OF CAREER-TECHNICAL EDUCATION OPPORTUNITIES

Each year, Worthington Schools offers career-technical education programs at Thomas Worthington High School and Worthington Kilbourne High School. These programs are designed to prepare youth for a broad range of employment and training services and are offered under the guidance of certified teachers, counselors and cooperative education coordinators. The following is a list of programs or courses being offered this year and criteria for admission.

Program (or Course)	Criteria for Admission
Engineering - Project Lead the Way	None

All career-technical education programs follow the district's policies of non-discrimination on the basis of race, color, national origin, sex, gender identity and disability in all programs, services, activities and employment. The lack of English language proficiency is not a barrier to admission or participation.

For general information about these programs, contact:
