No - only if you've signed up for OOLP

Can parents sign up students in OOLP if remote learning turns to hybrid?

No. If parents are worried about the in-person learning it is suggested that they sign up with OOLP for the 1st semester.

IT is not possible to sign up for both Remote Learning and OOLP.

When will Seesaw login information come out? Your child's teacher will provide more information after class lists are emailed out on August 17th.

Will there be difficulty for the students transitioning from remote to OOLP or OOLP to Hybrid? Whether students do remote, OOLP or hybrid the learning will follow the grade level Ohio Learning Standards. Students may have some difficulty transitioning from online to in person but we will support them and their learning at Slate.

A is Blue = A-K
