

## 2019/20 - 8th Grade School Supply List

Course	Quantity	Supplies
<b>Advisory/Team</b>	1	Box tissues
	1	2in or 3in. binder with dividers (at least 5 dividers)
	1 pkg	pencils
	1	EXPO® Low-Odor Dry-Erase Markers, Bullet Point, Assorted Colors, Pack Of 4
	1	earbuds
<b>Spanish</b>	1 pkg	loose leaf lined paper
<b>Language Arts</b>	1	composition notebook
	1 pkg	any color pens
<b>Connections</b>	1	loose leaf paper
<b>Science</b>	1 pkg	loose leaf lined paper
<b>Math</b>	1	1 in. binder with at least 3 dividers
	1	<p><b>Math 8:</b> TI-30XS Multiview is the calculator I strongly recommend. However, any basic calculator will be ok for this class</p> <p><b>Math 1 &amp; Math 2:</b> TI-84 Plus (or TI-84 Plus CE) - I would like each student to learn to use this graphing calculator this year. They will be able to (need to) use this calculator for the rest of high school. It is fairly expensive, and if it is cost prohibitive please see me and I will try to have a low-cost rental option for this year. I have seen them at Gadget Ease (used technology store) for a reasonable price but not always in stock. The CE is the color edition, and graphs in color.</p>
