Why you should join:

The mission of the Worthington Park PTA is to be a powerful voice for all of our students, a relevant resource for our families and teachers, and a strong advocate for the education and well-being of each teacher and child, all while having fun! We host a variety of events each year; some to support the education of our students such as the Artist in the School and the 6th Grade Camp program; as well as some that are meant to foster community pride, friendship and fun together, such as our skate parties and Spring Fling. We also want to support our dedicated teachers and staff at the school. We do this by providing stipends for the classroom and hosting luncheons during busy weeks such as conference week. We need your help in making these and many other activities successful each year.

Ask us how you can get involved and support our PTA and come have some fun with us!

Your 2018-2019 PTA Board Members:

Luke 7th grade, Eli 5th grade, Rhett 3rd grade and Tyler 1st. She enjoys being able to stay home with her boys and work from home as a Plexus Ambassador. She is excited to help the PTA by bettering communication between the parents and the staff, helping to make activities fun and dedicating time and effort into improving Worthington Park.

When Tasha is not at the school helping in the classroom, or running kids to their various activities, she is working full time managing a Non-Medical Home Care Company as well as volunteering in the community and being a member of the Worthington Chamber of Commerce. She has a passion for helping adults and children in the community and enjoys helping make our school a better place for our students and staff.
- **Jessica Llewellyn – Co-Vice President:** She and her husband Chris, have 5 children; Xander 8th, Aiden 7th, Leah 4th and Connor & Carter 2nd. She can be found volunteering in the school multiple days a week. Now that she's had a child in every grade level, she has a greater understanding of our children's needs and has developed relationships with many of the teachers and administrators at Park. Outside of school hours Jessica loves watching her children participate in their many activities. Participating in the PTA allows Jessica to have an active role in her children's education, and activities available to them throughout the year.
- **Mandy Younker – Co-Vice President:** She and her husband Juan, have 1 son who attends Worthington Park; Justin, 5th grade. They also have Tyler, 7th grade. When she's not managing the office at Columbus Public Health, Maternal Child Health, she enjoys spending time with her family and friends.
- **Todd Lennig – Treasurer:** This is Todd's first year on the PTA Board. He and his wife Melissa have their oldest son attending Worthington Park and he is in the 5th grade. Todd is excited to help out with the PTA and around the school. In the Lennig's spare time, they can be found out and about exploring Columbus and the awesome things that the city has to offer. Todd can also be found on the school soccer fields coaching a WYB soccer team.
- **Jeff Rutter – Secretary:** Also Jeff's first year on the board, Jeff has a daughter, Abigail, going into the first grade at Worthington Park. Somehow, there is time left to spend with his wife Wendy.
