

Hello there!!

It was great to meet you a couple of weeks ago at the Kilbourne 8th grade activities fair. How exciting that there is so much interest in field hockey. I am the head field hockey coach at Worthington Kilbourne. This fall will be my 4th season with the team. Regardless if this is your first time trying field hockey or you have been playing for awhile, you have made a wonderful choice by showing interest in Kilbourne field hockey. We are a family and love embracing new teammates. I wanted to get this email out to you to let you know of upcoming field hockey dates. Our first date and most important one is Meet the Team:

**May 9th, at 7:00 pm in room 207 at the high school.**

Please come with your mom or dad, or the person who takes care of you. The returning field hockey players and their parents will be there as well. This is our kick off meeting prior to summer. You will get to meet the field hockey coaches as well as other field hockey players. So make sure you put that date on your calendar. If you are on the fence about field hockey, come to the meeting and see what it's all about.

Our field hockey camp this summer is **July 16th-19th** at the high school. I've attached a camp flyer to this email as well. If you can't make those dates, I highly encourage you to come to our middle school camp June 18th-21st. You are more than welcome to do both camps if you'd like more time to practice before pre-season.

The returning seniors have chosen to go to Indiana University for a team camp. The dates are **June 28th-30th**. If you would like to go, please register to get the team discounted rate. <https://www.hoosiersportscamps.com/index.php?pageId=150&eventTypeId=15>

Pre-season starts **August 1st** with mandatory practices starting at 9:00 am.

I look forward to meeting you all officially and seeing you May 9th at 7:00. Please email me with any questions.

Go Wolves,

Coach Alex  
Worthington Kilbourne Field Hockey
