

Guidelines for Student Drop-off and Pick-up. If students choose not to ride the bus to and from school, the drop off and pick-up area is at Door 16 in the north lobby next to the Music department. Please enter our campus at the stadium entrance and drive carefully around the student parking lot to the drop-off or pick-up area. There are also new speed bumps that have been installed – use caution as these are rather ‘steep’. The speed limit in our lots and driveway is 10 mph.

To ensure the safety of our students, please drop your student off along the ‘loop’ close to the north doors. Parents should drive around the loop again and exit at the stadium entrance. In the afternoons, parents may line up around the loop to wait for the end of the school day. Additional painted parking spaces have been painted to help with this and event parking. We do ask that traffic be ‘one way’ during the drop-off and pick-up times to help with the flow. Again, we ask that drivers use caution when driving on our campus.
