## BOARD OF EDUCATION RECOGNITION

The Board of Education values the opportunity to publicly recognize staff and students for their service to this district and the school community. We appreciate your attendance and ask that you remain seated through the duration of the recognition portion of the agenda.

### A-3-a Recognition of the TWHS Varsity Sail Team for Winning the Ohio State Championship

Recommended motion: "...to recognize the TWHS Sailing Team for capturing the 2018 Ohio HS Sailing State Championship in April at Hoover Sailing Club. The team, led by skippers Grace Squires ('20), Zoe Hoctor ('21), XiaoJiao Hall ('18) and Marshall Wellejus ('22) dominated the event from start to finish winning 8 of the 16 races sailed that day (including a string of 6 in a row by Hoctor/Hall) to win the event by 24 points. The head coach of the team is Jamie Jones."

High School Sailing is a relatively new sport in Ohio, starting in the fall of 2015 by a group of program directors in Columbus, Cleveland and Cincinnati. In 3 short years, there are now 19 schools with teams competing in 11 regattas per year. This isn't TWHS's first taste of success: they're the 2016 Buckeye Cup Champions, 2016 Rocky River HS Regatta Champs, 2016 Mentor HS Regatta Champs, and they were 3rd at the 2017 States.

## INFORMATION AND PROPOSALS

### B-1-a Visitor Comments

The school board and administrative staff encourage and appreciate citizen interest in meetings of the board of education. This is the first of two sections of the agenda designed to hear the views of citizens about their schools and items on the agenda.

Persons wishing to address the board may make written requests in advance of the meeting or indicate their name, address and the item which they wish to address on the Visitor Form located along with tonight's agenda materials. Each speaker is asked to address the board at the visitor's podium so the speaker's remarks may be clearly heard. The speaker should give his or her name and address and limit comments to five minutes. The board meeting is being digitally and visually recorded.

We provide a time for citizen remarks at every regular meeting. At no time do we allow particular grievances about an employee to be aired. These remarks will be declared to be out of order and will be terminated when they are made about a specific employee. Any such discussion is not allowed in a public meeting, but may be discussed in an executive session at the board's discretion.

Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action.

Requests for information about any subject should be made in writing to the board president or superintendent. Requests for information at the board meeting will be referred to the superintendent for review and report to the board.

Thank you for your cooperation.

## VISITOR COMMENTS

### E Visitor Comments

The school board and administrative staff encourage and appreciate citizen interest in meetings of the board of education. This section is the second of two sections of the agenda designed to hear the views of citizens about their schools and items on the agenda.

Persons wishing to address the board may make written requests in advance of the meeting or indicate their name, address and the item which they wish to address on the Visitor Form

located along with tonight's agenda materials. Each speaker is asked to address the board at the visitor's podium so the speaker's remarks may be clearly heard. The speaker should give his or her name and address and limit comments to five minutes. The board meeting is being digitally and visually recorded.

We provide a time for citizen remarks at every regular meeting. At no time do we allow particular grievances about an employee to be aired. These remarks will be declared to be out of order and will be terminated when they are made about a specific employee. Any such discussion is not allowed in a public meeting, but may be discussed in an executive session at the board's discretion.

Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action.

Requests for information about any subject should be made in writing to the board president or superintendent. Requests for information at the board meeting will be referred to the superintendent for review and report to the board.

Thank you for your cooperation.
