### INFORMATION AND PROPOSALS

#### B-1-a Visitor Comments

Mrs. Hudson, citing the volume of comments that had been submitted via email, instructed the public where they could find the comments on the District website to read them in lieu of reading them into the record. She also said that all of the comments had been shared with the entire Board of Education.

A summary of those comments is below:

Mr. William Northrup of 1050 Putney Drive wrote with regard to the school reopening plan. He feels that the decision to reopen lies with the local school districts and the decision to send the students back to classes lies with the parents of the students.

Ms. Shawna LaRue Moraille of 385 Riley Avenue wrote in recommending the District end the SRO agreement.

Ms. Jill A Ritchey also wrote about ending the SRO agreements. She feels that replacing an SRO with a nurse or a counselor is a better return on investment.

Ms. Joely Tweel also supports ending the SRO agreement. She worries about the traumatic effect SROs can have on children of color.

Ms. Tricia Jones Narayanabhatta also is in favor of ending the agreements for the SROs. She said the District needs to follow through on their anti-racist resolution and remove SROs.

Ms. Laura Burnham of 6759 Bowerman Street W wrote in favor of keeping SROs in schools. She has two daughters attending TWHS and another who has graduated.

Ms. Rachel Olson of 292 Bristol Woods Court also wrote in favor of keeping the SROs in schools. She thinks it should not be the job of educators to break up fights or deal with drug issues or guns.

Mr. Gabriel Cassell-Ramirez of 5731 Andover Street wrote in favor of removing the SROs. He says as a student of color, he does not feel comfortable with them there.

Mr. Douglas Knuth of 6489 Brookbend Drive wrote in favor of keeping the SROs. He feels a small but vocal group of residents should not be able to dictate policy on student safety. He has kids at WKHS.

Ms. Maria Ramirez favors removing the SROs from the schools. She sees no clear benefits to keeping the SROs and thinks the money can be spent on personnel to support the students like mental health professionals or social workers.

Mr. Gene Kim wrote in favor of removing SROs. He thinks there are better, more effective solutions to these issues with the students' well-being at the forefront.

Lt. Alexander C. Rayner with The Ohio State University Police Division, who has a daughter at WKHS is not in favor of removing the SROs. He feels it is a poor safety decision.

Ms. Kathy Rayner, the Director of Care After School wrote regarding the reopening plan. She fears that a fully remote plan for reopening could lead to the closure of the CAS program. She hopes the Administration will consider the value the CAS program brings to the community when determining the plan for the District.

Ms. Melissa Winesburg wrote in favor of keeping the SROs. She would like the Board to follow-up on the original commitment to solicit feedback from teachers and students and share that data with the community.

Ms. Jennifer Fuller of 8220 Markhaven Drive is in favor of keeping the SROs in the schools. She thinks the SROs are vital in protecting the children.

Mr. Jonathan Tchounguen of 177 Brownsfell Drive is a former TWHS student and supports removing the SROs from the schools. He thinks the money spent on SROs is a reactive measure and not effective.

Ms. Aimee Moghannam of 1571 Clubview Blvd wrote in favor of keeping the SROs in the District. She thinks removing them would be a disservice to the students, teachers, and parents.

Ms. Tammie Ezzo of 7646 Alta View Blvd wrote about the school reopening plan. She is hoping her daughter can still get support from Mr. Kolp who knows her and knows how she learns.

Ms. Annie Marazita of 1266 Amol Lane is in favor of removing the SROs. She feels they do not help anything and that you cannot be anti-racist and still have cops in school.

Ms. Lori Kratzer of 8126 Storrow Drive wrote regarding the Hybrid Model for school reopening. She wondered if it is possible to livestream the classroom for the children who are home or could the students log-in to Zoom to watch the lesson.

Ms. Meg Kane of 167 Abbot Avenue favors the removal of the SROs from the schools. She thinks the argument that SROs make students safer is a false equivalency.

Mr. and Mrs. David Price of 2037 Smoky View Blvd has two kids that attend WKHS and thinks the SROs are a valuable asset. His kids view their SRO as a friend and mentor.

Dr. Pranav Jani wrote in favor of removing the SROs. He thinks we should highlight counseling and collective healing rather than rely on agents of the criminal justice system.

Ms. Susan Gladden of 6055 Flora Villa Drive also favors removing the SROs. She feels there is no evidence to suggest that police presence in schools makes them any safer.

Ms. Holly Heitkamp of 783 Oxford Street is not in favor of removing the SROs. She thinks the issue should be fully vetted by the community before the decision is made.

Ms. Abbie Miller of 572 Lambourne Avenue is a graduate of TWHS and supports the removal of the SROs from the schools. She fears the SROs perpetuate the school-to-prison pipeline.

Ms. Allison DeSantis of 6829 Merwood Street wrote to ask the Board to reconsider having SROs in the schools. She feels the money could be better spent elsewhere.

---

Ms. Madison Price of 6850 Worthington Galena Road strongly supports the District ending its contract with the SROs. She says the SROs are police officers and the police force is systemically racist.

Mr. Dave Maetzold of 8237 Copperfield Drive is in favor of keeping the SROs. He mentioned the unanimous vote by the teacher's union in favor of the SROs staying in the high schools. He thinks the politics should be kept out of the decision.

Ms. Megan Schaffernocker of 1149 High Grove Drive thinks the District should give the SRO issue the proper consideration it deserves and should be data driven. She does not feel the Board has articulated a clear reason for making a change.

Ms. Meena Jani of 1224 Drumbarton Court expressed support for the removal of the SROs from the schools. She feels the Board should listen to members of the community who are marginalized.

Ms. Nichole Mabry of 1533 Cross Club Drive wants to know what is being done about IEP students with the reopening plans. She has seen no plan in the remote option that addresses students with IEPs.

Ms. Julie Miller of 1032 Clubview Blvd is in complete disagreement with the plan to cancel the SRO contracts. She says they not only keep students safe but also build relationships with them.

Mr. Brian A. Steel of 1570 Oakview Drive supports keeping the SROs. He feels the Board would neglect their duties if they vote to remove them.

Mr. John S. Jones of 867 High Street asked the Board to please remove the SROs from the schools. He wrote of a retired TWHS teacher who he said observed the SRO "targeting" African-American students.

Ms. Amy Giessler of 387 Highgate Avenue requests that the Board take more time debating the next move regarding the SROs. She feels, with Covid, too much is being done at once to make this kind of fast choice about the safety of our kids.

### B-1-b Discussion of School Resource Officers

Assistant Superintendent Randy Banks provided an overview of the two year period during which Worthington City Schools has had School Resource Officers. The Board of Education discussed the feedback they have received from the public and the pros and cons of School Resource Officers.

20-121 Mrs. Hudson moved the adoption of a resolution to terminate the contracts with Columbus Police and Worthington Police effective July 28, 2020 and to honor the six month provision with Columbus Police and request Worthington Police provide the same service so that the high schools are equitable. The District will take the six month period to work with the new Director of Diversity, Equity & Inclusion and the administration to review public comments, challenges students of color face, clearly define the issues and determine how to allocate resources.
