INFORMATION AND PROPOSALS

B-1-a Visitor Comments

The school board and administrative staff encourage and appreciate citizen interest in meetings of the board of education. This is the first of two sections of the agenda designed to hear the views of citizens about their schools and items on the agenda.

Persons wishing to address the board may make written requests in advance of the meeting or indicate their name, address and the item which they wish to address on the Visitor Form located along with tonight's agenda materials. Each speaker is asked to address the board at the visitor's podium so the speaker's remarks may be clearly heard. The speaker should give his or her name and address and limit comments to five minutes. The board meeting is being digitally and visually recorded.

We provide a time for citizen remarks at every regular meeting. At no time do we allow particular grievances about an employee to be aired. These remarks will be declared to be out of order and will be terminated when they are made about a specific employee. Any such discussion is not allowed in a public meeting, but may be discussed in an executive session at the board's discretion.

Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action.

Requests for information about any subject should be made in writing to the board president or superintendent. Requests for information at the board meeting will be referred to the superintendent for review and report to the board.

Thank you for your cooperation.

B-1-b DAMPT Video

In March of this year, Columbus City Council approved a Land Usage Agreement between the City of Columbus and Worthington City Schools providing a green light for the 3rd Phase of the Worthington Community Bike Park to expand its plans of adding a Pump Track on both City and District land. The BOE in 11/2013 approved the naming of the Pump Track as the Dave Andrews Memorial Pump Track (DAMPT) in honor of Dave Andrews, a District parent and community volunteer who passed in 7/2013 of cancer. The video highlights how the Pump Track initiative came to be and the positive impact the Pump Track will bring to our District and the community as a whole. The video concludes with an "ask" of the City, the District, and the Community to support the fundraising efforts in bringing the 1st Pump Track of its kind to Central Ohio while honoring Dave Andrews legacy. We believe ***strong spokes support the wheel***, we are asking the BOE and District Leadership to support us in adding a new City park on District land and to help promote this cutting edge recreational opportunity for our students and the community.

B-1-c State Report Card Update

Ms. Angie Adrean will provide an update to the Board regarding the most recent report card from the State of Ohio Department of Education.

B-1-d Board/Committee Reports, Announcements, and Updates

ACTIONS RECOMMENDED BY THE TREASURER

C-1-a Approval of Minutes

Recommended motion: "...to approve the minutes of the September 10, 2018 regular meeting, as indicated in Enclosure C-1-a."

ACTIONS RECOMMENDED BY THE BOARD OF EDUCATION

D-1-a

VISITOR COMMENTS

E Visitor Comments

The school board and administrative staff encourage and appreciate citizen interest in meetings of the board of education. This section is the second of two sections of the agenda designed to hear the views of citizens about their schools and items on the agenda.

Persons wishing to address the board may make written requests in advance of the meeting or indicate their name, address and the item which they wish to address on the Visitor Form located along with tonight's agenda materials. Each speaker is asked to address the board at the visitor's podium so the speaker's remarks may be clearly heard. The speaker should give his or her name and address and limit comments to five minutes. The board meeting is being digitally and visually recorded.

We provide a time for citizen remarks at every regular meeting. At no time do we allow particular grievances about an employee to be aired. These remarks will be declared to be out of order and will be terminated when they are made about a specific employee. Any such discussion is not allowed in a public meeting, but may be discussed in an executive session at the board's discretion.

Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action.

Requests for information about any subject should be made in writing to the board president or superintendent. Requests for information at the board meeting will be referred to the superintendent for review and report to the board.

Thank you for your cooperation.
