

Worthington Schools COVID Update

LEARNING MODE DECISION MAKING GUIDE

	Goal Learning Mode		
Primary Factors and Thresholds for Reaching Goal Learning Mode	GREEN ZONE Lower Risk of Transmission Full In-Person	YELLOW ZONE Moderate Risk of Transmission Hybrid	RED ZONE Higher Risk of Transmission Full Remote
Cases/100,000 people in the last two weeks (Worthington City School District Attendance Zone) via COVID-19 Analytics and Targeted Surveillance	<50	50-250	>250
5 Mitigation Strategies <ul style="list-style-type: none"> • Consistent and correct use of masks • Social distancing to 6 feet • Hand hygiene • Cleaning and disinfection • Contact tracing 	4 met	5 met	N/A

Secondary factors to be taken into consideration

- Student and Staff Absenteeism
- Effects of asymptomatic quarantine students/staff on district operations
- Percentage of PCR tests that are positive during the last 14 days
- State of Ohio County Warning levels (Yellow, Orange, Red and Purple) for Franklin and Delaware
- School clinic visits/1000 for COVID/Influenza-like symptoms (relative to historical trends)
- District level Student Achievement Data (high school, middle schools, elementary school)
- Central OH data on rates of infection and positive testing for specific age groups
- Other specific building data may indicate the need for step down at a particular building (example, an outbreak in a specific building)
- Teacher, staff, administration, parent data/feedback
- Expert opinions of county or state level public health officials

The purpose of secondary factor analysis will be to assist and further guide decision making at each two-week interval.

COVID-19 Data Surveillance Reports 4/29/21 (CATS)

Date range for rates in this table is from 2021-04-15 to 2021-04-29.

Two Week Rate per 100,000

District	Crude Rate	Model Estimates	
	Crude Rate	Model Estimated Rate	Model Estimated Interval
Bexley City School District	65	56	(12, 99)
Canal Winchester Local School District	225	243	(199, 288)

Mitigation Guidelines

- All safety protocols will remain in place.
- We will work to maintain a minimum of 3 feet of social distancing in classroom settings and 6 feet during lunch times. ([Ohio Schools COVID-19 Evaluation](#) from January 29, 2021 supports 3 feet of distancing with masks in classrooms and on school buses.)
- Face masks must continue to be worn at all times. Double masking is recommended but not required, health officials have advised that wearing a mask with at least two layers of fabric is recommended. Masks should include multiple layers of fabric, especially gaiters. Face coverings should be cloth/fabric and cannot be made of mesh or cloth/fabric that is transparent (with the exception of plastic components of a cloth/fabric face covering that allow for viewing a person's mouth and face shields). Disposable masks are also allowable. Face coverings must cover an individual's nose, mouth, and chin. Worthington Schools will have masks on hand and will happily provide one for any student who needs one.
 - a. Please follow the CDC mask guidelines:
<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html>
 - b. How to properly wear a mask:
<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-wear-cloth-face-coverings.html>
- Practicing regular good hygiene-washing hands, hand sanitizer will continue.
- Quarantine guidelines remain unchanged.

SUPERINTENDENT RECOMMENDATION

Continue All-In School
