INFORMATION AND PROPOSALS

B-1-a Visitor Comments

The school board and administrative staff encourage and appreciate citizen interest in meetings of the board of education. This section of the agenda is designed to hear the views of citizens about their schools and items on the agenda. Anyone wishing to address the board in person must send a written request in advance of the meeting via email to wscmms@wscloud.org by 12:00 pm on Tuesday, September 1st.

Each speaker will be individually called into the meeting room and asked to address the board at the visitor's podium so the speaker's remarks may be clearly heard. The speaker should give his or her name and address and limit comments to five minutes. The speaker will be asked to exit the meeting room once they are finished sharing their comments.

The board meeting is being digitally and visually recorded. We provide a time for citizen remarks at every regular meeting. At no time do we allow particular grievances about an employee to be aired. These remarks will be declared to be out of order and will be terminated when they are made about a specific employee. Any such discussion is not allowed in a public meeting, but may be discussed in an executive session at the board's discretion. Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No board member has the power or authority to act for the board; therefore, no response from an individual board member should be interpreted as an official action. Requests for information about any subject should be made in writing to the board president or superintendent. Requests for information at the board meeting will be referred to the superintendent for review and report to the board.

Thank you for your cooperation.

B-1-b Framework for Moving from Remote to Hybrid Learning

Mrs. Hudson will lead the Board in a discussion about creating a framework to move the District from a remote learning model to a hybrid learning model.

ACTIONS RECOMMENDED BY THE BOARD OF EDUCATION

D-1-a Approval of Framework for Moving from Remote to Hybrid Learning

Recommended motion: "...to approve a transition from the remote learning model to the hybrid learning model on September 14, 2020 and going forward to provide at least two weeks advance notice to families when transitioning from a remote learning model to a hybrid model."
