

Dear Worthington Parents/Guardians,

As a reminder, summer school registration and payment occurs through MyPaymentsPlus

(www.MyPaymentsPlus.com)! Many of you already use it to manage your student's lunch account and extracurricular fees, and you can now sign up for summer school, too!

When you log into your account, you will see any course offerings that are available to your child based on their applicable grade level. You will then be able to check the box next to any course you want to enroll your child in and pay the applicable fee. If you qualify for reduced lunch, the fee shown will be half; if you qualify for free lunch, the fee shown will be \$0. Even if you qualify for free lunch, you will still need to add the \$0 fee to your cart and complete the registration process.

Below is an example of what your screen will look like:

Check the courses for which you wish to register each child.

It is important to note that these activities will show as available to register and pay only during the registration process and will disappear after registration ends. **In addition, summer school class fees will increase 10% on May 1,** so take advantage and sign up early!

There is **no cost** for a parent to create an account and pay online. If you do not already have an account, simply visit: www.MyPaymentsPlus.com and click on "Register a Free Account." You will need your student's ID number to complete registration. **If you don't know your child's student ID, please contact your school to obtain this information or check in the upper left corner of any screen in Infinite Campus.**

Feel free to contact Leah Baker (614.450.6088) with any questions and/or visit <http://www.worthington.k12.oh.us/summerschool> for further information about Summer School.
