Spanish	1 pkg	loose leaf lined paper
Language Arts	1	composition notebook
	1 pkg	any color pens
Connections	1 pkg	loose leaf paper
Science	1 pkg	loose leaf lined paper
Math	1	1 in. binder with at least 3 dividers
	1	<p>Math 8: any basic calculator (will NOT use phones), recommended TI-30XS MultiView</p> <p>Math 1 & Math 2: TI-84 Plus (or TI-84 Plus CE) - I would like each student to learn to use this graphing calculator this year. They will be able to (need to) use this calculator for the rest of high school. It is fairly expensive, and if it is cost prohibitive please see me and I will try to have a low cost rental option for this year. I have seen them at Gadget Ease (used technology store) for a reasonable price but not always in stock. The CE is the color edition, and graphs in color.</p>
