

**Secondary Tutor List
Worthington Schools
2019-2020**

The following list of tutors is provided as a service to the students and parents of our district. These tutors are community people who are willing to tutor Worthington students after school, on weekends and during the summer. They include teachers (current and retired), out-of- state teachers new to the district, college students, etc. Some are not currently certified in Ohio, but have offered their tutoring services because of previous employment or anticipated employment as teachers.

These tutors have not been screened or endorsed by the Worthington Schools (except for those who are Worthington teachers). Parents are encouraged to ask questions about teaching experience, background, references, costs, etc. These tutors are not employed by the Worthington Schools. Parents will enter into contract with the tutor. If you have questions, call the Worthington Educational Center at 614-450-6000.
