CAP & GOWN ORDERING

IMPORTANT DATES

As a locally owned and operated business, we at Buckeye Scholastic are very proud and appreciative to be the official supplier of Thomas Worthington High School. We'll walk you through ordering your announcements, senior keepsakes, class rings and, most importantly, the cap, gown & tassel your student will need for commencement.

We understand that this year is exciting for you and your student, and time will fly by! That's why we're here to help make celebrating this year and preparing for graduation simple and convenient for you. On August 6th or 7th during schedule pickup, your student will receive their packet with ordering information. You can also begin placing your orders on this day.

Please mark your calendars with these important dates including the final ordering deadline of January 31st.
