Dear Cardinal Family,

I've never enjoyed grocery shopping so much.

There are a couple things you should know about me: I actually *do* enjoy grocery shopping, and I like cooking. Running to the store--we live near several!--is a way for me to shape a menu based on sales or get excited about trying new recipes.

Recently, though, a grocery run has gained a whole new dimension. As you know, our local grocery stores employ many TW students, so I now have a convenient opportunity to see and check in with our kids.

In the past, students might sheepishly say hi and humor me with minimal small talk. It was clear their interactions were more a function of their employment and customer service expectations. Now? It's almost like they're *excited* to see their principal!

I'm sure when we're back to normal, typical teenage behaviors will return, as well. But I've been trying to make a point of recognizing and appreciating the positives in our current reality. This one is pretty awesome!

I hope you have a great weekend and get to run into someone you know (appropriately socially-distanced and masked) at the store!

Go Cards!

Pete Scully
Principal

This opportunity will cost \$200, a heavily discounted rate, and will include handouts, one printed ACT test with solutions, two online ACT tests with printed solutions, and a printed handbook that contains cheat sheets, test-taking tips, and over 850 drills with solutions in English and Math. COVID-19 Information

Please continue to report positive cases of COVID-19 using the online district reporting form:

[Worthington Schools COVID-19 Reporting Form](#)

It is important for schools to be notified of positive cases affecting our TWHS families to keep staff and students who are participating in school athletics safe and minimize the potential spread of COVID-19 in our community.

Keep your families safe by continuing to wear a mask, practice social distancing of at least 6 feet and wash hands often. Traveling can increase your chances of getting and spreading COVID-19 so be extra diligent with safe practices and stay home when possible over the upcoming holiday seasons.

More healthy precautions:

- Use alcohol-based hand sanitizer when soap & water are unavailable
- Cover your mouth with a tissue when coughing or sneezing
- Avoid touching your eyes, nose and mouth
- Stay home when you are sick
- Avoid contact with people who are sick
- Clean “highly touched” surfaces often at work and home
- Do not let your guard down!
