Dear Parents of Seniors,

Graduation is right around the corner! It's an exciting time to look forward to new opportunities for our students. Yet, it is also a time to look back with gratitude for the education our children received at Worthington Kilbourne High School.

Once again the WKHS Library is offering you an opportunity to honor your graduate while helping our library continue to raise its standard of excellence. A minimum contribution of $20.18 (checks made payable to WKHS) will help defray the expense of a new book for the library, and your student will be honored with a bookplate noting his/her name and the year that he/she graduated. Not only will you be recognizing your student for his/her many achievements, you will also be providing our library with new resources.

We wish you and your family the best as your graduate looks forward to the challenges and successes that lie ahead and reflects with pride upon his/her accomplishments and memories of WKHS.
