

2018-2019 Worthington Cares *Speaker Series*

EVENT 3 OF 5

CAROL TAYLOR

WHAT A BRAIN WANTS

6-8 p.m. | November 14th, 2018
Thomas Worthington High school

300 W Dublin Granville Rd, Worthington, OH 43085

Dinner: 6-6:30 pm | Keynote & Youth Activities: 6:45-8 pm

This keynote presentation will provide a basic understanding of how young people's brains develop and work. By understanding how the youth (or teenage) brain responds to everyday stressors such as homework, sports, peers, social media, family struggles, etc., parents, teachers, and anyone working with youth can increase their effectiveness and help young people learn valuable life skills.
