

Do you enjoy working with children?

Do you have at least a Bachelor's level degree?

Would you like to make \$150 to \$165* per day working with students?**

Worthington would love to have you as a Guest Teacher (substitute) in our district!

Worthington Teacher Substitutes are hired through the Educational Service Center of Central Ohio (ESCCO) via an online application system. You will need current BCI/FBI background checks (can be done in the Worthington HR office) and you will need to apply for a Substitute License through the Ohio Department of Education. Worthington personnel will assist you in this process to assure a smooth and timely activation with the ESCCO.

*Worthington has opportunities for "Permanent Guest Teachers" (PGT's) who are committed to working Monday through Friday when school is in session. PGT's are paid \$165 per day and guaranteed a substitute assignment each day. The HR office will place you throughout the district to cover for an absence or as an "extra" in a building if all absences are covered. Must be flexible and open to all classrooms and schools.

** Can't commit to every school day? That works for us, too! "Daily" substitutes work as needed and select their own assignment (school/grade level/subject) and are paid \$150 per day.

Choose the option that works for you!

Ready to apply? Go to this link: <https://www.escco.org/Substitutes.aspx>
