

Dear Worthington Park families,

Although school is not in session, I will still be available to you and your children to the best of my abilities. While I am not able to meet face to face, I can email with you or your student, link you with outside resources, and talk on the phone if necessary.

I wanted to share my plans so that you know how you can reach me for

non-emergencies:

- Beginning Monday March 23rd, I will check my emails frequently throughout the day during the hours of 8am-2:30pm. If there is a different time that works better for you to chat, let me know and I would be happy to work with you.
- You can also set up an individual time that I can call you. I will work with you via email to find a convenient time to call.
- I will be updating the document found [here](#) with resources and optional activities.

What you can do if you are having an **emergency:**

- If you are having a crisis and need to see or talk to someone right away:
 - Call Nationwide Children's Hospital Crisis Hotline at 1-614-722-1800
 - Text "HOME" to 741741
 - Call 911 if you are having an emergency

Beginning Tuesday March 17th, Worthington Food Service will be providing breakfast/lunch pick up meals between 10am-1pm at **Thomas Worthington High School** (300 W Granville Rd), **Slate Hill Elementary** (7625 Alta View Blvd), & **Worthington Kilbourne High School** (1499 Hard Rd). Parents must have their child(ren) with them to pick up food.

Your students' safety and wellness are of the utmost importance to us at Worthington Park! Please let me know how I can help.

Thank you,

Emma Carberry
Worthington Park School Counselor
