## Make a Difference! JOIN THE PTA!

Meeting the students' needs through teamwork has long been a hallmark of the Worthington school system. Parents and staff working together to benefit the students is the primary purpose of the Worthington Park PTA. Membership is only \$10.00 per person for the first household member and \$5.00 for an additional household member.

Your membership doesn't require hundreds of hours of volunteer time but it **DOES** enable the PTA to use your membership fees to assist all students at Worthington Park Elementary!! Won't you take a few minutes and join today?
