WORTHINGTON SCHOOLS FREE AND REDUCED SCHOOL MEALS PROGRAM 2022-2023

All school food service departments are required by the USDA to begin to return to pre-pandemic operations for the 2022-23 school year. This means that we will no longer be offering free breakfast and lunch. Breakfast will cost \$1.60, lunch will cost \$2.75 for elementary school and \$3.00 for middle and high School. Your children may qualify for free meals or reduced price meals. Reduced price is \$0.30 for breakfast and \$0.40 for lunch. You will be responsible to pay full price for all student meals until you have been approved for free and reduced benefits.

How do I apply?

You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit <http://www.worthingtonschoolmenus.com/>, click on "[Apply For Free or Reduced Meal Benefits Online](#)" to begin your online meal benefits application. Online applications will be available soon.

Will the Free and Reduced School Meals Program apply to other fees?

Worthington Food Service Department must have parent consent to share application information. Waivers are listed on a separate waiver page of the application. There are separate waivers for instructional fees, athletic/activity participation fees and testing fees. You must check "yes" for each box if you want information shared for each program. Checking "no" will not change meal benefits to your child(ren).
