## Worthington Schools

### Free and Reduced School Meals Program

### 2021 - 2022 School Year

Dear Parent/Guardian:

Children need healthy meals to learn. Worthington City Schools offers healthy meals every school day. Meals (breakfast and lunch) will be free for the 2021-22 school year.

#### **Will the Free and Reduced School Meals Program apply to other fees?**

Worthington Food Service Department must have parent consent to share application information. Waivers are listed on a separate waiver page of the application. There are separate waivers for instructional fees, athletic/activity participation fees and testing fees. You must check "yes" for each box if you want information shared for each program. Checking "no" will not change meal benefits to your child(ren).

#### **How do I apply?**

You are encouraged to complete an online application instead of a paper application if you are able. **Online applications may be submitted after August 1, 2021.** The online application has the same requirements and will ask you for the same information as the paper application. Visit <http://www.worthingtonschoolmenus.com/>, click on "Apply For Meal Benefits" and then "Please click here to begin your **online meal application.**"
