

# **PTSO MEMBERSHIP FORM 2021 - 2022**

Make a Difference! Support Our Mission... Support Our Kids!!

The PTSO represents the parents, the teachers and the students of Thomas Worthington High School. We aspire to support our school's mission of supporting the education of students by fostering relationships among the school, parents, students and teachers.

A few key events and programs help enhance and maximize the academics and social potential of all our students by:

- \* Providing at least \$1,500 in scholarships to graduating seniors (Last year we were able to give \$2,500!)
- \* Donating at least \$ 1,500 in teacher grants for educational /instructional support
- \* Organizing student and staff events to foster social interaction
- \* Honoring student and staff achievements

Please consider joining/donating to help make the 2021-2022 a great experience for our students.
