ORDER YOUR
FREE ENERGY
EFFICIENCY KIT

Today!

SAVE ENERGY AND HELP OUR LOCAL BUSINESSES!

Order a **FREE** Energy Saving Kit today to save energy at home at www.AEPOhio.com/Kit.

This kit provided by AEP Ohio includes options for LED light bulbs, a LED night light, weather stripping and insulated switch covers. Columbia Gas customers with natural gas water heating may receive a free showerhead.

Worthington residents who order an Energy Saving Kit or participate in other energy efficiency programs offered through the Worthington Community Energy Savers program before September 30th can help the Old Worthington Partnership earn up to \$60,000 from AEP Ohio and Columbia Gas. These awards will be used for energy efficiency upgrades at our local small businesses.

KIT OPTIONS

Additionally, for a limited time, the Columbia Gas Home Energy Audit is available at no cost to customers. The audit includes comprehensive draft and air leakage testing, a safety check of your natural gas furnace, a personalized home energy report and access to generous rebates. For more information or to schedule an energy audit, visit www.ColumbiaGasOhio.com/HomeEnergyAudit.

To learn about the Community Energy Savers program visit:
www.CommunityEnergySavers.com/Worthington

Programs are available to all customers, subject to program rules and requirements.
