Re: Executive Summary Letter, *Legionella* Environmental Sampling
Facility: Granby Elementary School
Sample Date: September 21, 2020
L&A Project No: 20-0441

Dear Mr. Gehring,

Lawhon & Associates, Inc. (L&A) performed representative environmental sampling of the domestic water system servicing Granby Elementary School. The testing was performed in accordance with guidance published by the Occupational Safety and Health Administration (OSHA) and the Centers for Disease Control (CDC) and the samples were submitted to a third party laboratory participating in the CDC *Legionella* Isolation Techniques Evaluation (Elite) Certification Program.

Legionella species were not detected at the representative domestic water outlets sampled. No further action is recommended.

Sincerely,

Karrie A. Bontrager, LEED AP
Principal and Sr. Microbiologist
